The Novadata

MANUAL ENTRY RECORD SHEET

This paper facsimile of a tachograph record sheet is designed to meet the needs of transport operators, both goods and passenger, who are required to record their operatives activities and absences in accordance with Working Time and Drivers Hours regulations.

For the manager it represents an easy to use, easy to evaluate an easy to store daily record.

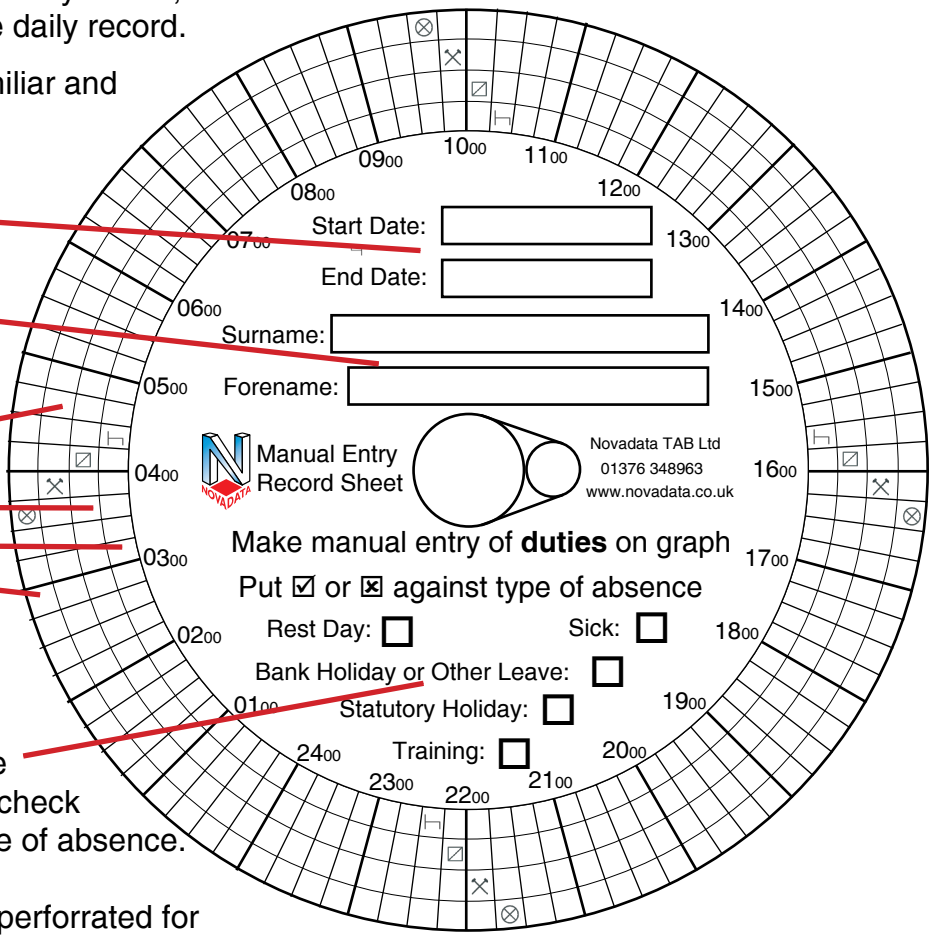
For the operative it is simple, familiar and friendly.

Fill in the dates

Fill in the names

While *attending work and not using a tacho* just record WORK, AVAILABILITY, BREAKS and NON-TACHO DRIVES using the graph, not omitting to show START & FINISH times.

When absent from work enter the date, or date period, names and check the box which represents the type of absence.



The 'charts' come in pads of 50, perforated for easy conversion into circular format and with a press out centre for storage files.
